

BANK SYSTEM DOCUMENTATION

REQUIREMENTS ELICITATION

1. Functional Requirements

- Register a customer.
- Open accounts (Savings, Investment, Cheque).
- Deposit funds.
- Withdraw funds.
- Apply monthly interest (5% for Investment, 0.05% for Savings).
- Make sure account rules are respected:
 - Savings → *no withdrawals*.
 - Investment → must open with BWP 500.
 - Cheque → only if customer is employed & provides employer info.
- A customer can have multiple accounts and all three of them if the customer wishes so.

2. Non-Functional Requirements

- Security: system should authenticate users to avoid unauthorized users.
- Usability: should be simple to use (no overly complex steps).
- Performance: system should handle multiple customers/accounts smoothly.
- Solidity: transactions update balances correctly every time.

INTERVIEW RECORD (APPENDIX A)

Interview Questionnaire

Date: [16/09/2025]

Interviewer: Isaac Osenotse

Interviewee: Themba Moeng

Questions

Qn1.What types of accounts should the system support?

Ans: Savings, Investment, and Cheque accounts.

Qn2. Can one customer have more than one account?

Ans: Yes, a customer can hold multiple accounts, all three types if desired.

Qn3. What is required to open an Investment account?

Ans: It must be opened with a minimum deposit of BWP500.

Qn4.What is required to open a Cheque account?

Ans: The customer must be employed and must provide employer information such as company name and address.

Qn5.What restrictions apply to a Savings account?

Ans: It does not allow withdrawals.

Qn6.How should deposits be handled?

Ans: Customers should be able to deposit funds into any of their accounts without restriction.

Qn7.How should withdrawals be handled?

Ans: Allowed from Investment and Cheque accounts, but not from Savings accounts.

Qn8.What interest rates should apply to accounts?

Ans: Savings accounts: 0.05% monthly. Investment accounts: 5% monthly.

Qn9.How should interest be applied?

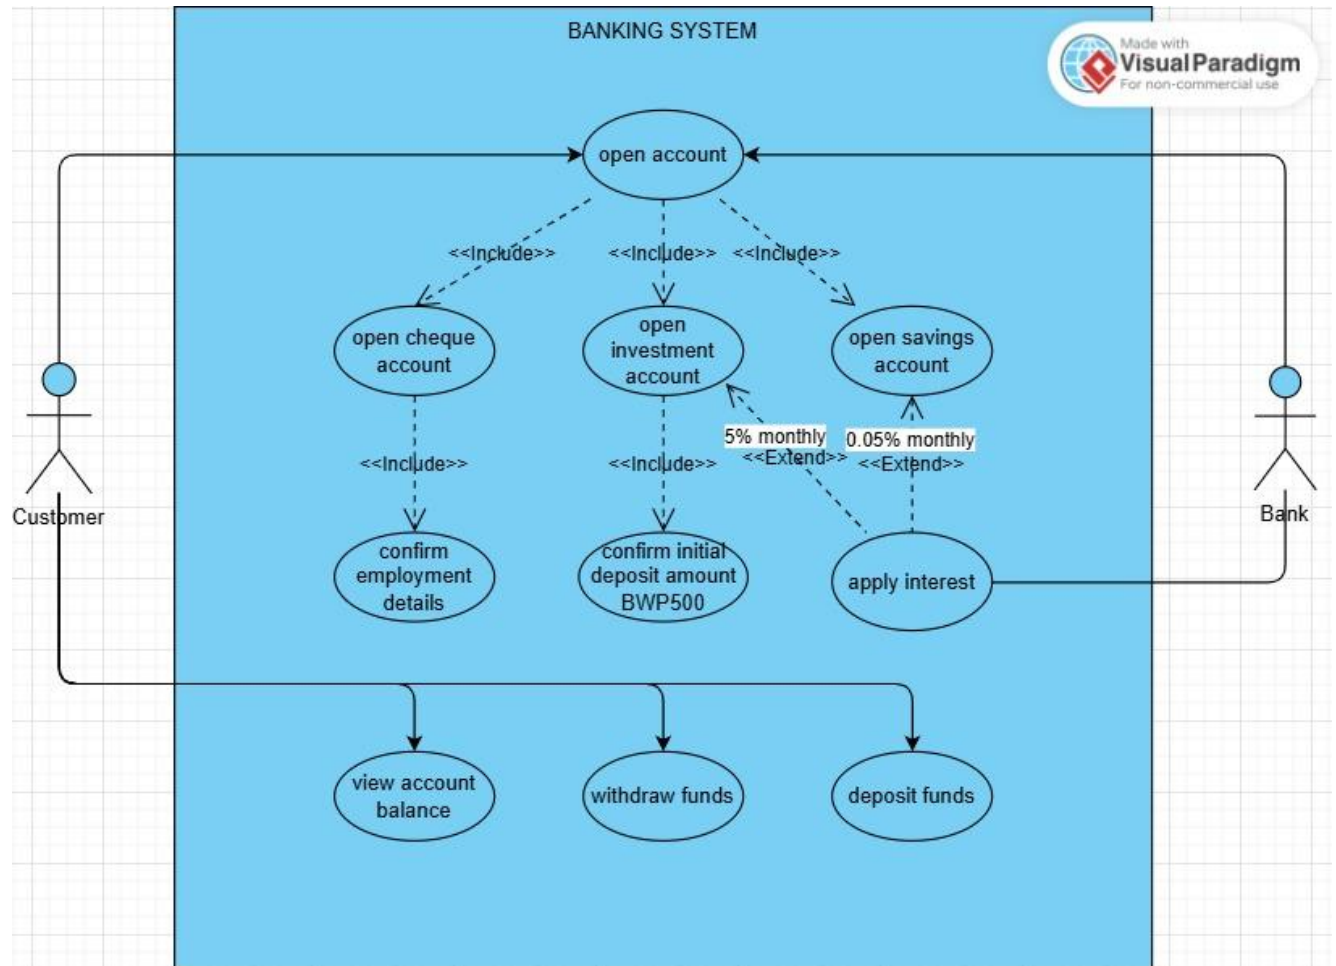

Ans: Interest is calculated monthly based on the account balance and added automatically to the account.

Qn10.What customer details must be recorded?

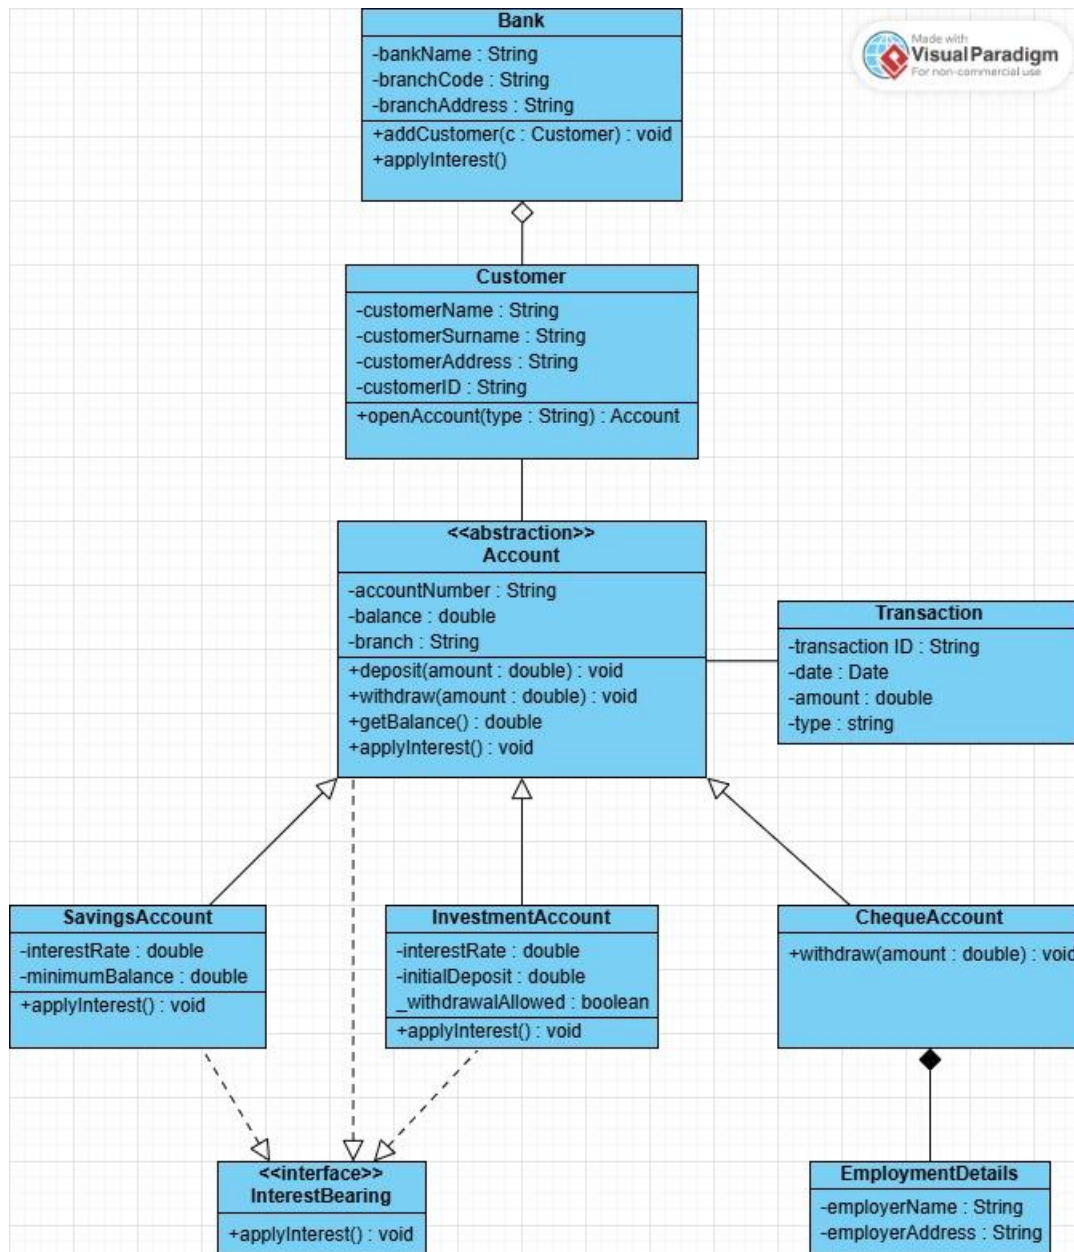

Ans: At minimum: first name, surname, address, and including employer details for Cheque account holders.
